Mrs. Sherry– Room 204
Sabin Dual Language Magnet School – 2216 W. Hirsch St. – Chicago, Illinois

Reading

Students should have a book to read **EVERY** night. All students need to read for a minimum of 45 minutes per night. If a student is unable to sit for a full 45 minutes, break it into 2 or 3 smaller chunks of time. When students are finished reading, they need to fill out their reading comprehension log. This is **NIGHTLY** homework.

Writing

Writing homework is TBD, but will correspond to student’s individual levels and will incorporate their word work skills. This will begin during week 3.

Math

Each student has an individualized math assignment every night. These assignments correspond to the particular skill they are learning that day/week. It is their responsibility to complete this work every night.

Notes

Students will be bringing home a letter that details which teacher is responsible for giving them their grades in specific subjects. Please read over the letter, sign the slip acknowledging your receipt and understanding of the letter, and return it with your student by Friday of week 2.

Feature Message

Hello Families!

I am happy to welcome several of you back to Room 204, and excited to meet the new families. My name is Mrs. Sherry and I will be your child's Diverse Learner teacher this year. Throughout the year we will be working on grade level material, as well as IEP goals/skills. I expect students to come to school ready to learn, prepared with their materials, and ready to be actively engaged in their learning.

We have a classroom website. It can be found here:

<https://sherrysabin.wordpress.com/>

Please check this site weekly, I suggest Mondays and Fridays, for important information about the current week.

Please let me know if you have any questions or concerns.
