

Dear Families and Students,

Welcome to a new school year! I hope you enjoyed your summer vacation. I would like to take a few moments to introduce myself. My name is Mrs. Sherry and I will be your child's Diverse Learner teacher. This will be my seventh year teaching at Sabin Dual Language Magnet School. I have a Bachelor of Arts degree in Elementary Education, as well as a Master's Degree in Special Education. As an educator, I value my job and the opportunity that I will have to help your child reach his/her goals and meet the requirements he/she will need to complete this school year successfully. Your child's success in my classroom is my number one priority.

As teachers of Sabin Dual Language Magnet School, we are committed to the CHAMPS Model. CHAMPS is a proactive and positive approach to classroom management. Within this approach, the focus is on prevention and on teaching expectations to students. In my classroom, I will make every effort to structure for success by creating meaningful activities with frequent variety to engage student interest. Additionally, I will directly teach students how to behave responsibly in each major activity and transition. Please refer to the Parent Handbook for further details on the CHAMPS model.

**I view you as a partner in your child's education. Checking their homework, attending open house, and being present at parent/teacher conferences are all great ways to ensure that we are working as a team to prepare your child for success. Each student will have a folder and inside that folder will be a communication log. Feel free to use this form to ask questions regarding your child's work or to leave me important notes. Please do not hesitate to reach out to me with any questions or concerns. I can be reached via e-mail, phone, and the communication log. Additionally, I started a class website. You can access homework and other important messages via this web address:

Again, welcome to the 2017-2018 school year. I am excited to meet you and get our school year started successfully!

Sincerely,

**Adrianna Sherry
