A Note From The Teacher

Dear 201 Families,
Welcome to 2022! I hope you had a restful and rejuvenating winter break. I am excited to get back into an uninterrupted stretch of learning! Apart from a few days sprinkled in here and there, students have no more extended breaks until Spring Break in April. In the coming weeks students will be taking winter assessments to ascertain their current instructional levels. We will be taking the Star360 Reading and Math Assessments, as well as various classroom assessments. Be on the lookout for those results by the end of the month. More information can be found on our [website!](#)
