Sabin Intermediate Diverse Learner Teachers

Sabin Dual Language Magnet School – 2216 W. Hirsch St. – Chicago, Illinois

## Homework

Every week, students will be given a brightly colored homework packet. Each packet is comprised of: reading log, spelling/vocabulary work\*, and math work. Students need to complete all components of the packet and turn it in every Friday. Failure to do so will affect their overall grade in each subject.

## Reading

Students will ultimately be responsible for increasing their reading stamina to 45 minutes per night. Students will be responsible for completing a reading log, along with reflection questions.

## Writing

Students will be working on a variety of writing activities throughout the school year. They will compose works of fiction, research, make arguments, and also write for fun!

## Math

Students receive 4-5 math sheets per week, targeting specific skills. These sheets are also graded on a 100-point scale.

## Classwork

Students continue to work individually on their IEP skills. In addition to their independent work, students are engaged in whole group math and writing lessons. Our focus with writing is to get students to add details to their writing, no matter what genre they're working with.

## Happy September!

Hello Families!

We are so happy to welcome several of you back to Rooms 109/204, and are super excited to meet the new families. The students who receive math minutes will have those minutes services by Mrs. Lamar. The students who receive language arts minutes will have those minutes services by Mrs. Sherry.

Throughout the year we will be working on grade level material, as well as IEP goals/skills. We expect students to come to school ready to learn, prepared with their materials, and ready to be actively engaged in their learning.

We have a classroom website. It can be found here:  
<https://room204sy1920.shutterfly.com/>

Please check this site weekly, we suggest Mondays and Fridays, for important information about the current week.

Please let us know if you have any questions or concerns.

**Boxes of tissues, hand sanitizer, and pencils are greatly appreciated!**
