

## “The Magic Kingdom”

Room 111 - Mrs. Anderson, Mrs. Storm, Mrs. Sawyer, Mr. Agbabiaka

### Assessments

Students will be completing mid-year assessments for learning and growth. Please work with your children letter soils and recognition, number recognition and counting, recognizing, spelling and writing their first name, recognizing the letters in their first name in and out of sequence..

**Schedules: Physical Education will begin on Monday, February 14, 2022 - Friday, March 11, 2022**

**Weekly Foundation skills will be sent via email. This will help you keep track with he letters, numbers, colors and shapes taught each week.**

**Websites:** Students should go on a learning website at least 3 times a week. Students who work on these sites will not only develop mastery in Pre-K skills they will also learn how to work independently. They only need to spend a maximum of 15-minutes on the websites.

**Websites -** Happy Numbers, Raz-Kids, Education.com, See Saw, **Friday -** Please upload any work or pictures that the children would like to share. Please take and upload pictures of you and your child making class projects. You may see them in the school yearbook.

**Reports card distribution: Friday, February 4, 2022. If you have any questions about your child’s report card please send us a message to set up a Google Meets.**

NO SCHOOL Friday, January 30th, Monday, February 22nd - Presidents Day

**WATER: Please choose one of the options for water for your child - 1. Send water daily in spill proof bottles. 2. We can make a schedule for you to send cases on a specific week (we don’t have space to store multiple cases of water so if you choose this option we will ask for a specific number of bottles at a time. This means you may be scheduled to send cases more than once. 3. You can send \$10 to cover your child’s water for the rest of the year and we will go to the store to purchase the water. If you choose this option you can give it to the teacher when you check your child in or out.**

### PET STUDY

We will conclude our Pet Study on 1-28-22.

Students will bring stuffed pets for our final activity of sharing what they learned as they go through the process of grooming pets.

### CHINESE NEW YEAR

We will learn about Chinese New Year the week of January 31, 2022. “The Year of the TIGER”. We will make Chinese lanterns, Chinese Drums and paper dragons.

### BLACK / AFRICAN AMERICAN HISTORY MONTH

The students will learn about Jazz music, Black Inventors, Poetry and Dance. The children will make their own tap dance shoes and create a dance.
