

Welcome to Pre-K, Room 111

Hello...

My name is Mrs. Kimberly Sawyer.

I would like to welcome your child and you to
Pre-K, Room 111!

I am your child's Resident Teacher.

A little about me,

I am a mother, wife, student and teacher. I was born and raised in Chicago and Wisconsin. I come from a huge family and family is everything to me.

I have over ten years of experience teaching and developing children from birth to young adulthood.

I am passionate about early childhood development and developmentally appropriate practices and learning spaces.

My goal is to partner with parents to nurture and develop their child's greatest potential.

I believe parents are the first teachers to their child.

I advocate, the school as a resource for students and families.

I look forward to getting to know your child and you and having a fantastic school year!
