Bilingual Diverse Learners Teacher

Sabin Magnet

To Whom It May Concern:

Welcome to another year at Sabin Magnet and back to in person learning. I hope you had a safe and wonderful summer vacation with your family. I am very happy to return as a Diverse Learners teacher for the 2021-2022 scholastic year and to have your child in my classroom. I am seeking to work with the parents as well as the students to have a prosperous school year.

My credentials read as follows: First earned my Bachelor's Degree in Psychology with a specialization in social science. After a couple of years in the private sector, I returned to school and earned my Masters in Special Education in order to attain better knowledge and strategies to assist my students with diverse needs. After working for a couple of years as a bilingual educator, I thought my talents and knowledge may be better served as a fulltime special education teacher, which brought me to Sabin Dual Language Magnet School. Also, I have a Bilingual endorsement and middle school endorsements in Language Arts and Math.

I am looking forward to work closely with you to provide the best quality of education that your son or daughter deserves. This school year, I will continue receiving the wonderful support of my two Paraprofessionals or SECAs. Their names are Ms. Cynthia Cortez and Mrs. Mercado. They have been providing support to the classrooms' teachers for many years at Sabin Magnet. They are well qualified and have many years of experience. They will be supporting me and the students academically as well as socially.

Finally, I will be sending letters home in which will explain in detail how your child will be graded through out the school year 2021-2022 and the school/classroom expectations during Open house. Feel free to contact me to the following email if you have questions or concerns: [MRodriguez13@cps.edu](mailto:MRodriguez13@cps.edu) or you can call me at the school number 773-534-4491. Please leave a brief message and I will return the call as soon as possible. In addition, you can leave a message in the stream page of my google classroom. Thank you!!

Sincerely,

Ms. M. Rodriguez
