A WORD FROM SABIN ADMINISTRATION

Hello Sabin Hawks Families, thank you to all the parents and families who came out to our Spring Showcase last week. It was heartwarming to see our students' creativity and musical talents shine brightly on stage!

As we wrap up the school year, we have many end of the year field trips, celebrations and graduation around the corner. Join us in two weeks for our first annual Sabin Block Party on Saturday, May 18th, from 12-4 PM. All Sabin families are invited to join us for an afternoon filled with free food and drinks, live music, engaging arts and crafts activities, and even the opportunity for our students to explore a Chicago Fire Department Fire Truck. There will be many community vendors and organizations present, an inflatable bouncy house for the kids, and even a performance by the Jesse White Tumblers.

It's hard to believe that there are only five weeks of school left in this academic year. Together, let's continue to partner closely to ensure that our students finish strong. Let's commit ourselves to making each of these remaining days count, embracing every opportunity for learning, growth, and celebration. Thank you for your ongoing support!

In community,
Mr. Baker, Principal
Ms. Roldan, Assistant Principal

SABIN'S COUNSELING CORNER

SOCIAL-EMOTIONAL LEARNING NEWSLETTER

A note from the counselor:

Cooperation is the act of working together to get something accomplished. Cooperation is an important skill in the workplace, and the earlier we start practicing, the better. In school, kids have many opportunities to work in large teams, small groups, and partnerships. It can be quite a challenge for some students to have both leadership qualities while also listening and respecting other students' ideas. Active listening isn't a natural skill. Part of cooperation looks like students sharing, taking turns, and doing their part. Sometimes the teacher will choose groups, and sometimes students can choose their own. It is about the process as much as the product! There are ideas below about how to strength the skill of cooperation at home! 😊 Ms. Avery

Would You Rather...

PICK A SIDE AND DISCUSS AS A FAMILY!

1. LIVE IN A TREEHOUSE OR A CAVE
2. HAVE SMELLY FEET OR BAD BREATH
3. SPEND A WEEK IN THE FOREST OR A NIGHT IN A REAL HAUNTED HOUSE
4. BE A BIRD OR A FISH
5. GO TO A BUFFET OR A BARBECUE
6. EAT A WHOLE RAW ONION OR A WHOLE LEMON
7. HAVE REALLY SMALL HANDS OR REALLY BIG FEET

Cooperation at Home:

HOW CAN WE REENFORCE THIS AT HOME?

- TAKE TIME TO DISCUSS AND PRACTICE LISTENING SKILLS- MODEL BY GIVING YOUR CHILD EYE CONTACT, AVOIDING INTERRUPTING THEM, AND REPEATING THEIR IMPORTANT POINTS.
- LET THEM KNOW IT'S OKAY TO DISAGREE WITH YOU, AS LONG AS IT'S DONE IN A RESPECTFUL WAY! AN EASY WAY TO PRACTICE THIS IS THROUGH THE GAME, "WOULD YOU RATHER." ASK SIMPLE QUESTIONS LIKE, "WOULD YOU RATHER EAT PIZZA OR HAMBURGERS FOR AN ENTIRE MONTH? ASK WHY. ADD ON TO WHAT THEY SAID IF YOU AGREE! IF YOU DISAGREE, MODEL SOMETHING LIKE "I HEAR YOU, BUT I DISAGREE. I THINK..."
- ALLOW YOUR CHILD TO WORK WITH THEIR SIBLINGS OR FRIENDS ON SPECIAL "PROJECTS" -LIKE CREATING A TOWER TOGETHER, WORKING ON A PUZZLE, OR DESIGNING A BOAT OUT OF A CARDBOARD BOX. GIVE SPECIFIC PRAISE FOR COOPERATIVE EFFORTS. "WOW, YOU TWO ARE REALLY PUTTING YOUR HEADS TOGETHER TO FIGURE THIS OUT!" IF YOU NOTICE THE KIDS AT ODDS, NARRATE WHAT YOU SEE, AND GIVE SUGGESTIONS FOR WIN/WIN SOLUTIONS.
